

**“ Hub, as a community is built by people actively taking part, owning the space by making it into the best possible working environment they can.**

*HUBBER'S HANDBOOK, 2019*

**COMMUNITY**

**BOARD**  
**(HUB Turku ry)**

# Tools of participation

- Ideation workshops with the community
- Feedback collection boxes on-location
- Community Fleep discussion channel
- Candidates for decisions presented on boards in space
- Make Your HUB 'hackathons'
- Newsletters with call-to-actions
